

## SPIRITUAL LEARNING

**TSG Spiritual University**, established in September 2000 by Gita Saraydarian.

Meditation courses, study courses, and training programs are organized to provide a step-by-step path for learning and understanding the building blocks of the Ageless Wisdom and to use these building blocks to transform oneself.

The courses are founded upon the extensive meditation lessons and advanced study techniques created by Torkom Saraydarian.

All the meditation lessons, study courses, and workshops are designed with esoteric sensitivity and spiritual safety of every sincere seeker. Just as a physical building needs careful planning, design, permitting, building with an eye toward beauty and sustainability, so does the building of the human soul.

TSG Spiritual University courses offer everyone the opportunity to travel the path of happiness, joy, and bliss.
