

Whenever people come together in the name of Christ, they create tremendous force fields that magnetically attract the attention of Great Ones and angels, bringing beauty and synthesis to the world. It is so important to come together in the name of Beauty, Goodness, and Truth, in the name of the Common Good, in the name of service for humanity. Whenever people forget their little selves and come together for a spiritual service, they become transmitters of light, love, and harmony.

FULL MOON Celebrations

Full moon periods are “sun festivals” because it is the sun in a particular zodiacal sign that is the focus of study and observation.

FULL MOON CELEBRATIONS

The Ageless Wisdom teaches that planets, suns and galaxies are the bodies of living Entities, each having Its own keynote, color, laws and principles. Our Sun transmits the energies of the Zodiac to Earth, providing an opportunity for harmonious development for all kingdoms of Nature.

Painting by Nicholas Roerich

At the time of each full moon a bridge of contact and communication is established between humanity and higher centers. It is told that this communication line even extends from planetary centers to the Solar Lord, thus building a unique channel between humanity and the Source of Life.

Torkom Saraydarian
Symphony of the Zodiac (pp. xv-xvi).

This opportunity for contact is a moment of regeneration, a moment in which one can again contact his lost vision or contact a new and greater vision, charge all his being, and set his steps aright on the path of evolution and service.

The full moon period is the right time to make a spiritual breakthrough for greater cooperation with the Hierarchy of the planet and with the light of the Inner Guide. At the time of the full moon there is a greater opportunity to annihilate many obstacles and hindrances in one's nature.

The contact, carried on all over the world with great spiritual centers, releases a tremendous energy all over the planet. This energy makes the etheric body of the planet more sensitive to the Plan and to Divine Will and inspires all aspirants to reach a greater vision.
