

2022 - End of the Year Letter

*As we move into the New Center, a time for gratitude
and a time for giving . . .*

by Gita Saraydarian

Dear Friends and Coworkers:

We have great and inspiring news to share with you. A group of generous donors have promised TSG a **TRIPLE matching grant!**

Every dollar TSG receives from donations, purchases, seminar and course fees will be tripled.

For seven months, starting now through the full moon of Gemini, June 2023, every dollar TSG receives will be triple-matched!

In these seven months, seven months of gathering intense spiritual energies, we will magnify Torkom's legacy. As the Hierarchy starts preparing for the Wesak gathering of Great Ones and releasing gathered wisdom onto humanity and the planet at Gemini, we are perfectly harmonizing with the Hierarchical energies.

The proceeds from this fundraising will provide funds to support the expanding of Torkom's Legacy and secure the care of the new Center.

Starting now, through the June Full Moon of 2023, participate in this triple match by

- Making a one-time or monthly donation.
- Purchasing an extra book or music and sending it to a family or friends.
- Participating in meditation courses and seminars.
- Participating in virtual and on-site classes and donating to each class.
- Asking your place of employment if they offer matching grants for your contributions to a church or non-profit organization.

Broadcast the Wisdom

Considering the great opportunities offered to us in the new Center, we are challenged to step up to a new level of discipleship by filling the air waves with benevolent, loving, and healing energies. For example, you can

- Link up with a buddy and have a weekly book study.
- Share the Teaching on your social media by posting quotes or recordings of prayers or readings of your favorite passages.
- Write a personal review or testimonial for any of our products and events on our website. Good, honest reviews are welcomed by people unfamiliar with our work. Find the book, music, seminar, event you love most and share your insights and advice with others.
- Create your own ways of advancing the Teaching into ready hearts and minds throughout the world.
- Like and share TSG's Facebook page and write comments on our weekly posts.

The new TSG Center consists of a beautiful Sanctuary, a serene and comfortable library, a bookstore, and offices. You are welcome to visit us and walk and meditate in the serene environment. We will offer classes, seminars, and many services in our new Center. Together we will increase and expand our ongoing spiritual community.

Remember, every \$1.00 will become \$3.00; every \$5.00 will become \$15.00; every \$20.00 will become \$60.00.... There is no limit to our effectiveness when we band together in service to the Teaching.

Thank you for your continuing support. I am looking forward to this magnificent opportunity that the Great Ones have bestowed on all of us. With love and gratitude,
