End of Year Letter — 2023

From Gita Saraydarian

Dear Friends,

This year has been a phenomenal period for us. We have finally moved into our new Center and have been operating in it for all of 2023. Our fundraising for the triple matching grant has been a tremendous success and has expanded our Endowment Fund to secure our future. Our monthly classes are now two Sundays each month.

Starting with Christmas Eve service at TSG Center, and continuing for Sundays in 2024, we will be offering Sunday services on the Teachings of Christ as well as continuing with our current classes. All of this is possible because you have believed in us and have supported us.

As we end 2023 and start the plans for 2024, it is very clear to me that we will continue to need your financial support. Your past contributions have put us firmly where we are now. Our ability to move confidently into the future will depend on your continued support. We need to think how to protect the Teaching we love, one that continuously enriches our spiritual life.

We must grow our finances to meet our growing and expanding needs, especially in the way we deliver the Teaching globally.

Your contributions mean more Teaching spread and more life nurtured. For example, make monthly, quarterly, annual donations to support our programs. When you participate in class, use our convenient donation tool to make an online donation.

We have planned, built, and continuously cared for the TSG Center using the seven higher principles.

Consider your donations as a way to safeguard the world of Beauty, Goodness, Righteousness, Joy, Freedom, Striving, and Sacrificial Service.

Your contributions will enable us to have continuity. This huge work cannot be done by one person; it needs a group of dedicated disciples. We have created a spiritual dynamo in TSG. Now, we need to nurture and protect it.

- Together we can protect the Teaching and give hope and faith to humanity.
- Together we can protect the work of TSG and safeguard the Teaching.
- Together we can honor Hierarchy and the Teachings of Great Ones.
- Together our precious values can live long and spread.
- Together we can inspire and train the leaders and teachers of the future.
- The power to protect the Teaching in its purity is in your hands.

Make sure your principles and values live long into the future by making a gift through your will, trust, retirement plan or life insurance policy. Together, we can grow and make a lasting spiritual impact in the world and leave the world a better place because we care.

As you enter our Center, you will see a beautiful, fountained wall that collects rainwater and flows into the natural landscape. Etched in it are the words of

Christ: “Water of life ... poured forth for those who thirst.” What better way to become the water of life than by your continuous outpouring of support. All of life is nurtured by the water of life, today and far into the future.

Please make your year-end donation today by visiting us online. Or call us and we will process your generous donation.

With gratitude and love,

Gita Saraydarian
